Student's satisfactory Survey Report  
2016-17

**Analysis of Responses First & Second Year Students 2016-17**

Student's survey consisted of the student's opinion about teaching –Learning process, about the infrastructure of college, and about college staff and their abilities. Questions are Yes/No type questions. Total 15 questions were there. And 10 questions about teachers content knowledge, use of technology. Cooperativeness, it helps college to analyse the responses and make improvement from next academic year.

Students like the activities organized by college. They take active participation in it. These help them to develop their personality and awareness about society. Students like different field visits, it's very interesting and knowledge provoking.

**About Infrastructure –**

Building and college premises are spacious and well equipped. There are adequate classrooms. Classrooms are well ventilated and illuminated. There is good playground with sufficient sports material. College premises have water cooler and water purifier. In college library there are sufficient books and well reading room. Computer lab is well equipped and sufficient number of computers. But need to add more PC. Every method has separate method room. In science Laboratory there are separate section for Biology, Physics and Chemistry. All necessary instruments are easily available in the Lab. In Psychology lab there is adequate number of psychology experiment and other material. In this college there is qualified faculty.

In our college there are separate rooms for girls and boys. In college we have gender specified facility of washrooms/toilets.

**Faculty:** Regarding the faculty. The students found them very cooperative, regular, knowledgeable and well qualified. They appreciated that some lecturers used group activities and technology to teach their courses. Many mentioned that the lecturers were motivating and caring. So the students acknowledged their satisfaction regarding the teaching staff.

Faculty gives sufficient time for guidance. All faculty members are caring and humble in nature.

**Non-Teaching staff:** The students had a pleasant experience interacting with the office staff. In general they found the non-teaching staff helpful, supportive, prompt and efficient. General Administration: The students had a very good opinion regarding the general administration, indicating that there was an improvement in cleanliness. They also appreciated the facilities and equipment's available for the students. In general they found the college staff understanding, perfect in their work and cooperative. Hence the students were very satisfied with the overall working of the college.
